Yes		No		:	am / pm	

Are You Ok? Program

The Town of Fishkill Police Department Are You Ok? Program uses a computerized telephone system to contact our residents every day or as often as they feel meets their needs.

Residents who require a little extra sense of security can register to be on our call list. Each day at prearranged times, our system will call the resident's home to check on their welfare. If after two attempts to contact the resident by telephone there is no response, an officer will be personally assigned to check their welfare.
