Basketball Camp Parent Letter

*Week Four
August 3-10
Summer 2020*

To All,

Thank you for registering your children for our Fishkill Hoops Summer Basketball Camp next week!

We are very excited to be working with your child and teaching them about the great game of basketball. We will utilize a combination of lecture, drills, demonstrations, repetition, and age appropriate games to breakdown all the different skill sets needed to become a successful basketball player. Each player will develop a better understanding of the game and improve on their skills.

In an effort to maintain the health of our athletes and coaches, please note and adhere to the following items.

- We are asking that you self-screen your child for about 7 days prior to camp. Observe your child and check for any [signs and symptoms of COVID-19](#) and notify us if there is anything worthy of noting.
- Please stay home (*parents and athletes*) if you are sick, not feeling well, or exhibiting any [signs and symptoms of COVID-19](#).
- Your child should not attend camp if they have visited an area prevalent with the COVID-19 within 14 days prior to the first day of camp.
- Everyone (*parents and athletes*) must wear a mask or face covering as they enter or exit the facility.
- Each athlete (*and spectator planning to stay*) must consent to having their temperature taken by a non-invasive scanner each morning upon arrival. If a reading of 100.4 or greater is present, the athlete must go home and can not attend camp until they have been 72 hours fever free without any additional signs and symptoms of the COVID-19 as out outlined by the CDC guidelines for ["When can I be around others?"](#)
- The Basketball Camp will be divided into smaller groups by grade and will spend most of the camp day within their assigned groups.

FISHKILL RECREATION

793 Route 52, Fishkill, NY 12524 ~ tel. 845.831.3371 ~ fax 845.831.3169 ~ www.fishkillrecreation.com

- Athletes do not need to wear a mask/face covering once they are signed in and have made their way to their morning station, however they should have one handy at camp in case there is a need for a mask. Each player or group will have an assigned cubby or bin to keep their water bottles, snacks, and masks.
- Please have your camper wash their hands prior to coming to camp.
- Parents may stay or leave. If you plan to stay, please use the viewing gallery on the second floor and use the pre-marked "box seats" to ensure social distancing is practiced with other spectators. Please remember to keep your masks/facial coverings on until you have found your seat and wear them whenever you leave (ie restroom, end of camp day, etc) your "box seat."

In addition, please remember the following:

- Basketball Camp will run next week, Monday-Friday August 3-10 from 9am-12pm.
- Parents must escort their children in and out of the facility and sign them in and out each day. Please do not just drop them off at the curb outside.
- We will check ID at sign out each day. Please remember to bring your ID.
- Please notify the Camp Director if someone other than those listed on your child's pickup list will be picking up your child. Including Mom, Dad, Stepparents, and older siblings. If you do not remember who you listed at the time of registration, please email us your updated list and we will update it on your account.
- Please notify the Camp Director if your child has any allergies or if you have any special concerns.
- Remember to pack a labelled water bottle, and a light snack.
- Wear sneakers and comfortable gym clothing.
- Please do not bring a basketball from home.

Thank you all for your continued support!

Feel free to let us know if you have any questions!

Thank you,

Jason Maietta, Recreation Director
