FISHKILL HOOPS SPRING LEAGUE

COVID-19 PROTOCOLS & PROCEDURES:

Updated 4/15/2021

At Fishkill Recreation, Safety is our number one priority. In an effort to maintain the health of our athletes and coaches, please note and adhere to the following items.

HEALTH SCREENING:

- Parents must continuously monitor and self-screen their child and observe/check your child for any [signs and symptoms of COVID-19](#) and notify us if there is anything worthy of noting.
- Please stay home (*parents and athletes*) if you are sick, not feeling well, or exhibiting any [signs and symptoms of COVID-19](#).
- Please stay home (*parents and athletes*) for 14 days if you or your child has visited an area prevalent with the COVID-19.
- Each athlete (*and spectator planning to stay*) must consent to having their temperature taken by a non-invasive scanner upon arrival each class.
- If a temperature reading is 100.4 or greater is present, the athlete must go home and can not attend/return until they have been 72 hours fever free without any additional signs and symptoms of the COVID-19 as outlined by the CDC guidelines for "[When can I be around others?](#)". If you or your child has a temperature of 100.4 or greater, we will not wait and take the temperature again to see if it drops. If you receive a reading of 100.4 or greater we are obligated to send you home right away.

MASKS/FACIAL COVERINGS:

- Everyone (*coaches, players, parents, spectators*) must wear a mask or facial covering at all times.
- Athletes must wear their mask or facial covering while playing.
- Masks must be worn by everyone while roaming the facility, using the restroom, etc.

SPECTATORS:

- In an effort to limit the number of those in attendance, we are limiting attendance to two(2) parent/spectators per player at each game.
- Spectators must wear their mask or facial coverings at all times.

CLEANING & HYGIENE:

- Basketballs will be sanitized prior to every game and halftime of each game.
- Each athlete must wash or sanitize their hands as they enter the gym.
- Everyone will be required to wash or sanitize their hands whenever they cough or sneeze. If applicable, nearby persons will also need to wash their hands.
- Each player will have an assigned cubby, bin, or area to keep their water bottles, and other items in during the game.
- The Facility will be cleaned by the cleaning company at the close of each night. This will include frequently touched areas such as doorknobs, counter tops, tables, chairs, light switches, computers, touch screens, keyboards, handles, desks, toilets, sinks, etc.
- In addition, our HVAC system has been upgraded with MERVE-11 filters and iWave air purifier systems have been installed throughout the entire facility
