

COVID-19 VACCINE APPOINTMENTS;

Help for Seniors!

The Fishkill Recreation Center is now offering help for seniors who do not have access to a computer and are unable to get their name on the COVID-19 vaccination lists or navigating the online COVID-19 resources.

We will get you signed up on the available vaccination lists and attempt to book you an appointment if any are available.

Call the Rec Office at 845-831-3371 to book an appointment.

Please note: The Town of Fishkill does not have the vaccine and we cannot guarantee a successful appointment for the vaccine. We will do our best to get you an appointment and at the very least have your name on as many waiting lists as possible.
