**Update Letter
August 10, 2020**

To All

We are sad to announce that our popular Summer Hoops League will not be happening this summer due to the current restrictions from the state officials as it pertains to sports and recreation.

We were trying to hold off in hopes that the guidelines would change. At this time, it does not seem like that is going to happen before the end of the summer.

No one is more disappointed as we are. We had a whole plan in place to run the program while still keeping everyone (athletes, coaches, staff, and spectators) safe. We were very much looking forward to seeing everyone again!

Anyone that paid for the summer hoops league will receive a separate email in the next couple days with details on how to receive their refund.

The health and safety of all our participants, spectators, and staff are always our # 1 priority. We are committed to and will continue to follow the guidelines imposed upon us. We intend to have some basketball opportunities this Fall even if in a modified form with restrictions as permitted by the state guidelines.

We hope that you are all staying safe and healthy. Enjoy the rest of your summer. We hope that we can all be back on the court again sooner rather than later.

Thank you for your continued support. 'Til next time. . .

Stay Positive, Be Healthy, & Keep Safe,

Jason Maietta, Recreation Director
