HEALTH DIRECTOR/RECREATION ASSISTANT

JOB REQUIREMENTS & DESCRIPTION:

Starting Rate of Pay: \$17.20 per hour

The Town of Fishkill offers high quality summer day camps each year for parents in need of daycare and/or children looking for active recreation opportunities during their summer break. Applicants should be caring, compassionate, safety conscious, energetic, & have experience caring for children in the age range of the respective camp they are applying for. Our goal is to enhance the lives of every child that attends by exposing them to a variety of vibrant, quality, and efficient recreational activities. For more details, please visit our website at www.fishkillrecreation.com and select the appropriate link under the "Summer Camps" tab.

MINIMUM QUALIFICATIONS:

1. At least 18 years of age
2. Background in First Aid
3. Caring, comforting, and responsible
4. Mature, of good character, positive role model, and possess suitable personal qualifications.
5. In good physical and mental health, and have the energy and emotional stability necessary to fulfill the responsibilities of the position.
6. All Employees should have the ability to run, climb on playground equipment, play with the children, and participate in all activities which may include but not limited to sports, dancing, exercise, and crafts.
7. Must have experience in supervising and working with children.
8. Must be responsible, reliable, and have reliable transportation.
9. Must be qualified by training and experience to carry out their respective functions in the administration, operation and maintenance of the camp program.
10. Must attend scheduled staff trainings and meetings.
11. Must pass all background checks including but not limited to fingerprinting, child abuse, sex offender registry, and criminal.
12. Must pass annual and random drug tests.
13. Must provide references.
14. In order to complete background checks, drug tests, and references, applicants must be able to provide some or all the following:
 - a. Copy of driver's license or other government issued identification.
 - b. A statement or summary of each applicant's employment history including, but not limited to, any relevant child-caring experience; (the names, addresses and day time telephone numbers of at least three acceptable references, other than relatives, at least one of whom can verify employment history, work record and qualifications, and at least one of whom can attest to the applicant's character, habits and personal qualifications to be a school-age child care program staff member)
 - c. A sworn statement by the applicant indicating whether, to the best of the applicant's knowledge, such applicant has ever been convicted of a misdemeanor or felony in New York State or any other jurisdiction and fingerprint images as required to comply with the requirements of 413.4 of this Title; and
 - d. The information necessary to determine whether the applicant is the subject of an indicated report of child abuse and maltreatment as required by section 414.10(b)(i) of this Part.
 - e. The information necessary to determine whether the applicant is listed on the register of substantiated category one cases of abuse or neglect maintained by the Justice Center for the Protection of Persons with Special Needs, pursuant to Section 495 of the Social Services Law, as required by section 414.10(b)(1)(ii).

FISHKILL RECREATION

793 Route 52, Fishkill, NY 12524 ~ tel. 845.831.3371 ~ fax 845.831.3169 ~ www.fishkillrecreation.com

TYPICAL WORK ACTIVITIES:

The Health Director in collaboration with the Camp Director(s) is responsible for all health and safety needs of the camp. Provide first aid care for campers and staff, overseeing the administration of medications to campers and staff, monitoring health and cleanliness standards, organizing paper work and maintaining file organization. The Health Director must maintain compliance with Department of Health guidelines. Work with the summer camp director and various staff, help provide adequate physical health conditions for all, and assist staff with tasks as necessary. The Health Director often works closely with the Camp Directors in carrying out directives. The following is indicative of the level and types of activities performed by the Health Specialist. It is not meant to be all-inclusive and does not preclude a supervisor from assigning activities not listed that could reasonably be expected to be performed by an employee in this title.

1. Must take CPR and First Aid Training (unless approved credentials are already acquired) offered by Town of Fishkill Recreation before the start of camp.
2. Responsible for the health and safety of all campers and staff.
3. Responsible for all pre-camp medical preparations. ie. review camper registration forms, medical forms, immunization records, contact parents if child is taking medication.
4. Responsible for all medical concerns at camp and on trips.
5. Assess camper health and hygiene daily.
6. Assist in maintaining cleanliness and order of facilities
7. Maintain and file necessary records and paperwork. a. Must keep medical log of EVERY child that you treat (even if it is just a band-aid)
8. Keep camp daily journal.
9. Responsible for the storage of all camper and staff medication.
10. Responsible for ensuring all camper and staff take their medications.
11. Inventory medical supplies regularly and submit weekly supply list to the Recreation Director.
12. Assist Directors/other staff as needed, at camp or on trips.
13. Communicate with the parents. a. Regarding illness, injury, medications, etc.
14. Communicate with Camp Directors: ie; a. Medical/illness, Behavioral problems, Incidents, Injuries
15. Participate in camp activities when it doesn't interfere with injuries or other medical situations.
