Dear Parents/Guardians,

Due to low enrollment and loss of one of our Camp Directors' who has accepted another position, we have decided to combine our two camps effective on Monday July 9<sup>th</sup>.

The combined camp will be located at Fishkill Elementary School. All campers, including Senior Campers will now be dropped off and picked up at Fishkill Elementary School beginning Monday July 9<sup>th</sup> for the remainder (*unless otherwise instructed*) of the summer.

Sammi Macrillo (*Senior Camp Director*) has been assigned as the Camp Director for the combined camp.

The combined camp layout will offer many advantages. Since we will have more kids at one location, we have more games, activities, and "speakers" that we can provide. This also means that there will be **no more weather cancellations.**

The layout of the camps will remain the same. Senior Campers will still have their popular "campers' choice" option and flexibility in their schedule that they had before. A schedule has been created to ensure that appropriate age groups play together and that the older campers aren't sharing the same space as the younger campers. All activities already scheduled such as the weekly camp trips, camp-wide games, hot dog/pizza lunches, ice cream trucks, etc will remain the same.

We are looking forward to implementing this new structure. We think that it will enable us to better provide a great camp experience for our campers.

Thank you for your continued support in Fishkill Recreation programs!  
If you have any questions, please feel free to let us know.
