Winter Development Program 2021

Parent Letter

1/10/2021

To All,

We hope you are all excited for the start of our Winter Basketball Clinic Series!

Just a quick reminder that the program begins this week. If you missed the last email/parent letter that included the team rosters and schedule, please click [PARENT LETTER 1.4.2021](#).

Please remember to bring a labelled water bottle with you each week. Due to COVID, we are not allowed to use our water fountain. You may use the refill station to fill up your water bottle.

Dress in sneakers and comfortable gym attire.

In order to maximize our time each week, please arrive approximately 10 minutes prior to your scheduled practice so that we can complete the health screen process and be ready to go on time.

In an effort to limit the number of people in the facility and avoid people coming in and leaving all at the same time, please do your best to pick up your child on time. We recommend arriving about 5-10 minutes before the end of practice to ensure everyone is picked up on time.

Please note that due to the raising increase in COVID-19 cases, we have tightened up our policy on masks/facial coverings. For the health and safety of our coaches, athletes, & parents, please review our [UPDATED FISHKILL HOOPS COVID ACTION PLAN](#).

We are looking forward to seeing everyone this week!

Thank you,

Jason Maietta, Recreation Director
