## Winter Development Program 2021

### Parent Letter

### 1/4/2021

To All

Thank you all again for remaining patient as we get the schedule up for the Winter Hoops Basketball Clinics. We finally have the rosters and weekly schedule together.

Please see the details below.

#### SEASON:

- The season will begin next week (week of January 11<sup>th</sup>).
- A printable schedule of the entire season will be made available soon but the details in this email will get you started.

#### TEAM & SCHEDULE:

- We divided everyone into "Teams" based on a combination of grade, gender, and availability.
- Please note that there may be a random date here and there that we do not practice due to a previously booked event. We will give appropriate notice if or when those dates occur.
- CLICK [TEAM ROSTERS & WEEKLY SCHEDULE.pdf](#) TO VIEW THE TEAM ROSTERS AND WEEKLY SCHEDULE

#### COVID PROCEDURES:

- Details on COVID procedures to follow shortly!

I apologize it took so long to get this out. We had such an overwhelming number of registrations that we were trying to move things around in the gym to allow us to fit as many kids in. So it took a little longer than we wanted to get these details out. Thanks again for remaining patient. I will get more information out as they develop. We look forward to seeing everyone in the gym! Please let us know if you have any questions.

Thank you,

**Jason Maietta, Recreation Director**
